The following policies will apply to any orders entered on the Website:

- All orders entered on the Web will be automatically scheduled per our lead-time matrix. You, the distributor, have the ability to extend this date. However, if the order is a next day air shipment that needs to arrive the next day, a phone call to the facility is required to insure that the shipment will be made.
- Goulds Standard cancellation terms also apply to web orders. Orders acknowledged for the same day or next day will be charged the 25% re-stocking fee. Non-Stocked items will be handled as per standard policy.

BACK **CONTINUE**

It's also possible to manually enter an order for a specific warehouse. Select the warehouse from which you would like the order placed. Then enter the quantity and part number. Orders can also be placed from the Product Availability section.

Warranty Claims & Price/UPC Files

The screenshot displays the Xylem Applied Water Systems website interface. The top left features the GOULDS WATER TECHNOLOGY logo with the tagline 'a xylem brand'. The top right identifies the site as 'Xylem Applied Water Systems'.

The main content area is divided into two primary sections:

- Warranty Claims - Menu:** This section contains a form for entering claim information. Fields include RMA No., Credit/Debit Memo No., Goulds Invoice No., Debit Memo No., Customer PO Reference No., Claim No., Order No., Shop Order No., and Uniface Memo No. Each field has a 'Select' button. Some fields have availability notes: 'Credit/Debit Memo No.', 'Debit Memo No.', and 'Customer PO Reference No.' are '(available only to CSR and SAL)'; 'Uniface Memo No.' is '(available only to CSR)'. Below the form, there are filters for 'Status of all Claims' and 'Credit Memos', and input fields for 'Part Number', 'Serial Number', and 'Reference Number' with corresponding 'Select Claims' buttons. A 'Date Open' dropdown is set to 'Jul 1 2017'. A 'You are looking at data for: billto - shipto.: 33837 - 1 CUST NAME TO BE ADVISED SENECA FALLS, NY' message is visible at the bottom of this section.
- Downloadable Price / UPC Files:** This section provides links to various files. A note states: 'Please note that these are large files! The download time might be long depending upon your modem speed.' A table lists available files:

Click on Link to Download:	Size
Excel Spreadsheet	3,807 KB

On the left sidebar, the 'Warranty Claims' link is highlighted with a red box. In the 'Downloadable Price / UPC Files' section, the 'Excel Spreadsheet' link is also highlighted with a red box. A red box in the top right of the main content area highlights the 'Warranty Guide Book - CW008 R1 (NEM 05/03/2017)' link.

The e-com site lets you enter and check warranty claims online. The full GWT Warranty Guide Tutorial can be downloaded here. You can also download a complete Price & UPC file with all product numbers, descriptions, discount codes, up-to-date pricing, and product weight.
